The Real Housewives of New York City

Where we left off With a bloodbath! After season 4 ended, Bravo booted four ladies and ushered in Kennedy in-law Carole Radziwill, 48; spunky blonde Heather Thomson, 42; and well-heeled mom Aviva Drescher, 41. "The dynamic has changed in a 'big bang' way," says Sonja Morgan, 48, who survived the cuts along with Ramona Singer, 55, and LuAnn de Lesseps, 47.

Old feuds, new feuds Still at odds with frenemy Singer, de Lesseps accuses her of blackmail! "She crossed the line," de Lesseps fumes to *Us*. (Retorts Singer, "I don't know what she's fabricating.") In fact, Singer clashes with nearly every castmate. During the de rigueur girls' getaway, this time to St. Bart's (they also visit London), Drescher calls Singer white trash. "It wasn't my finest moment," Drescher says. Radziwill has felt frustration too: "As I got to know some of the women, I liked them less."
